CAREER OBJECTIVE

To leverage my skills in **Frontend Development, MERN Stack Development, and UI/UX Design** to design and develop responsive, scalable, and user-friendly web applications that deliver engaging digital experiences. I aim to apply my technical, creative, and problem-solving abilities to contribute to innovative projects, collaborate effectively with teams, and continuously enhance my knowledge of modern web technologies and design practices while contributing to the growth of the organization.

EDUCATION

SRI SHAKTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY, COIMABATORE **Pursuing**

B.E COMPUTER SCIENCE AND ENGINEERING CGPA-8.16 *

ST JOSEPH MATRIC HIGHER SECONDARY SCHOOL, COIMBATORE **2020-2023**

HSLC-83%

CERTIFICATES

Programming in Java – NPTEL: Scored **75%** and earned **Elite Silver** certification for the **12-week course**.

SKILLS

TECHNICAL SKILLS

Programming Languages: C, Java, JavaScript

Frontend Development: HTML, CSS, Bootstrap, React.js

Backend Development: Node.js, Express.js

Database: MongoDB, SQL

Tools/Software: MS Office, VS Code, MS Excel, Figma

Languages Known: Tamil, English

SOFT SKILLS

Team Collaboration, Creativity, Adaptability, Quick Learning, Communication, Time Management.

PROJECTS

G-SHOP (MERN):

The platform simplifies grocery shopping by allowing users to browse, search, and order products with an integrated Razorpay payment gateway. It also includes AssemblyAI-powered voice search and Clerk authentication for a seamless and secure user experience. (JUN 2025)

Tech stack: MERN (MongoDB, Express.js, React, node.js)

LOAN ELIGIBILITY CHECHKER(JAVA):

This project is used to check the person eligible for loan. It collects user details like name, salary, and credit score, and checks whether the user is eligible for a loan. (JAN 2026)

Tech stack: Java (OOP, Classes, Methods, Conditions, Console I/O)

INTERNSHIPS

1.Completed a MERN Stack Development Internship at App Innovation Technologies from 16 June 2025 to 30 June 2025, gaining hands-on experience in full-stack web development.
